basil eau de vie

Standing in a California orchard more than 20 years ago, I was inspired to preserve the extraordinary quality of the fruit in a brandy. This was the beginning of St. George Spirits, America's first distiller of eau de vie, the true "water of life." I have constantly worked to refine the Old World distilling methods I brought from Europe and am now proud to present to you the pinnacle of St. George's achievements - AQUA PERFECTA.
