Agustinos **PINOT NOIR RESERVA**

Agustinos wines come from the best winegrowing valleys of Chile, produced using a holistic approach that fully respects and maintains the natural environment.

- *Sustainably grown estate grapes
- *Use of solar power in winemaking
- *Commitment to lower carbon emissions
- *Recycling of winery waste to produce usable energy

This Pinot Noir comes from Chile's southernmost winemaking region, the Bio Bio valley, where the sandy soils and cooler climate are perfect for growing this varietal. The resulting wine is complex and elegant with berry and cherry flavors layered over earthy mineral notes and roasty oak. This wine is a perfect match for a wide variety of food, including chicken, duck, salmon, wild mushroom pasta and fatter cheeses.
