Tacar

Tacar is Scots Gaelic for *plentiful* – a fitting name for a classic London Dry gin with bountiful flavor and a unique opulent bee pollen twist to elevate your perfect serve G&T.

Small batch distilled with a classic juniper character, the nose is light with citrus zest and floral notes perfectly complemented by warmth and spice from coriander.

For the finish, the pleasingly honeyed hints of bee pollen *take center stage*.

Tacar delivers a long, light heat on the tongue with pleasingly sweet hints of bee pollen on the finish.

Best served on the rocks with a splash of tonic and plenty of friends – sláinte mhath!

750ml 43% Alc./Vol.
