Merlot

For over 30 years we have advocated the artful blending of traditional Bordeaux varietals for flavor, structure and balance. This vintage of Merlot includes small amounts of Cabernet Franc and Cabernet Sauvignon. The grapes for this Merlot were grown in Sonoma County's finest appellations, where the variety develops ripe berry flavors and a lush mouth-feel.

Founded in 1972 by David Sare, our family winery is known for revitalizing Dry Creek Valley viticulture and for continued leadership in the area.
