YOSHI·NO·GAWA

Ginjo Saké (720 ml)

Like a deep breath of high mountain forests full of evergreens and crisp running streams. Lovely water notes express Yoshinogawa terroir throughout the citrus and spice overtones. A truly expressive, yet subtle saké.

"Our family began brewing saké in 1548 and we are honored that Yoshinogawa is recognized as the first Kura (Brewery) in the now famous Niigata Prefecture. As the 19th generation to operate our Kura, it is very important to us that we honor our history as we look to the future of saké and its relevance to our home and its people. Please, enjoy the results of centuries of saké craft that is found in every bottle of our saké."

Sincerely,
Koji Koyakami, President
Yoshinogawa Co., Ltd.
