BA CERTIFIED SUSTAINABILITY

Social Sustainability

People enrich the land and we enrich our people.
We support our community with an array of programs to ensure that we all thrive as one.

Deeply Rooted

Our roots, like our traditions, are robust and deep. They descend far into the soil to access glacial water from the ancestral irrigation canals.

Thriving on Biodiversity

We preserve and nurture plants, insects, and animals so that our vineyards can adapt to a changing environment.

Natural Resilience

A reverence for traditional farming practices has shielded our ungrafted vineyards from harsh interventions, sustaining the land for generations to come.

Stronger Together

Tilia wines reflect our values: honor tradition, support the community, and respect nature.
