Silverado
VINEYARDS

In 1981, Ron and Diane Miller established Silverado Vineyards to make wine from the historic vineyards of their estate. Napa pioneers first planted these ranches to vines between 1865 and 1895. Each vineyard played an important role in establishing the reputation of its appellation: Carneros, Coombsville, Yountville and Stags Leap District. The beautiful fruit from these vineyards is the exclusive source of Silverado Vineyards' Estate and Single Vineyard wines – the Miller family's highest expression of the Napa Valley they love and admire. Generations of the Miller family hope you enjoy our Cabernet Sauvignon and Silverado Vineyards wines for many years to come.
