The fruit was grown on the hillside of one of the most idyllic regions in the world for Pinot Noir. The fruit was picked to strike a balance of fruit character, acidity and richness. The first thing to note with this wine is its bright cherry red color. The aromas begin with raspberry and blackberry bramble, mixed with vanilla bean, mint and clove. The entry is filled with crisp acidity and flavors of raspberry, strawberry and cranberry. The medium body gives way to spicier notes of fresh sage, dried thyme and coriander.
