ALPENGOLD

EDELBRAND

Edelbrand – literally translated: Noble Brandy. The purest and finest form of 100% fruit distillate. Only the highest quality of fruit at the peak of ripeness is carefully selected, mashed and distilled.

One bottle of Edelbrand needs from 20 up to 80 pounds of whole fruit per bottle - not just the juice - and pure water for drinking proof, nothing else. Historically made for centuries in the alpine regions of Austria, Germany and Switzerland, perfected by coveted, secret recipes and procedures only shared from generation to generation, Edelbrand is now finally made in Texas.

Alpengold Edelbrand – it doesn't get any better than this.
