Split Shot

Espresso Milk Stout

In Seattle, beer and coffee are like siblings, jealously dividing the day. Split Shot Espresso Milk Stout brings them both together, combining the local talents of Elysian Brewing and Stumptown Coffee in a deliciously smooth, very Northwest beer.

Brewhouse

We opened our doors in 1996 when bold art and music defined Seattle. We carry that same spirit in the way we brew our beer. It's about taking chances, learning from our missteps, and changing perceptions. Pull up a barstool at elysianbrewing.com.
