an ancient Incan word meaning "Stone Sentinel," Aconcagua
is the highest mountain in the Americas, towering over Mendoza.
It is this great mountain's name that inspired "Aconga," a symbol
of grandeur and the celebration of a land steeped in history.
Argentina, known as the land of silver, embraces artisans well
known for their unparalleled silver craftsmanship.

Like the practiced artisans of Argentina, this wine has been
expertly blended for ample flavors of plums and black fruit
with a hint of anise and cassis. Carrying all the exotic charm
of a Malbec and balanced by the firm structure and richness
of a Cabernet Sauvignon, this soft and supple wine makes an
excellent companion to roast beef or pasta with red sauce.
