Villaviva is a rosé produced from vineyards surrounding the fishing village of Sete and facing the Mediterranean Sea. The vineyards are planted on limestone, gravel and quartz soil and benefit from a sunny and dry climate perfect for rosé production. After harvest, the grapes are cold soaked for 6 hours and then undergo low temperature fermentation to preserve fruit and freshness. Villaviva bursts with flavors of strawberries, raspberries and traditional English bonbons. Serve Villaviva chilled as an aperitif or with seafood, grilled meats, barbecue and any Mediterranean styled cuisine.
