100% DESTILADO DE AGAVE

This 140-liter batch of Bicuixe (A. Karwinski) was distilled from mature, wild-harvested Bicuze (A. Karwinski). Maestro mezcalero Atenogenes Garcia and his son José harvested the agave in the Miahuatlan region of Oaxaca at an approximate altitude of 5,600 feet above sea level. Along with other varieties of agave, the Bicuze were roasted in an underground oven with guamuchil and mezquite firewood for six days. After the roast, the agaves were crushed by a large two-ton tahona that was pulled by an old Ford tractor. After being milled, the crushed Bicuze was added to two pine tanks. It was then fermented with calcium-rich well water for nine days. Once the mash completed its fermentation, it was double-distilled in a copper alembic still at Atenogenes' palenque, "El Labrador," in San Isidro Guelishe, Oaxaca. The resulting distillate was adjusted by Maestro Atenogenes to its current ABV with distilled water and tails, August 2019.

Cinco Sentidos ("Five Senses") originated as the house agave spirit in Oaxaca's acclaimed restaurant, "El Destilado." Our goal is to bring you uncertified nano-batch agave spirits that highlight varied production processes, agave diversity, and most importantly, the tradition and talents of the "familias mezcaleras" who handcraft their spirit with rigor and esteem. Drink With Respect.
