TEXAS ALCOHOLIC BEVERAGE COMMISSION

Texans Helping Businesses & Protecting Communities

Coming from the valley's edge, the fruit was grown in a region that has a long tradition of producing some of the best Cabernet Sauvignon in the world. The fruit was picked when it was mature in order to produce a wine that is complex and balanced. The deep red hue is coupled with richly aromatic characters of fresh earth, cigar tobacco, cedar, leather, slight tones of eucalyptus, coffee, and cocoa. Flavors of blueberry, blackberry and spices carry over from the aromas along with dried fruit, dried mushroom, and slight toasted oak. The well-developed tannin structure is an excellent representation of a wine that will be able to stand the test of time.
