TORRONTES

Real winemakers get their hands dirty. Hands back with wine. That's what Manos Negras is all about. Rolling up our sleeves and getting our hands dirty. That's how we make these hand-crafted wines.

Torrantes is the signature white grape from Argentina. The high altitude desert of the Tulum Valley in San Juan, Argentina provided ideal conditions for this once minor Spanish grape to flourish in unique and exciting ways. The warm sunny days and cool mountain nights produce a wine of light yellow color with explosive floral aromas, citrus fruit flavors and a crisp, clean finish.
