POPPY'S GARDEN DRY ROSÉ WINE

Up the road from Blue Ostrich Winery and Vineyard is a small plot of land that rewards its diligent caretakers each summer with a bounty of good things to eat. Yellow squash, ripe red tomatoes and crisp cool onions. This rosé wine has a light, fruit driven character with a soft, dry finish. It compliments comfort foods like chicken or grilled pork chops, and it pairs well with salad and fresh vegetables, the kind you might find up the road from our winery, in Poppy's garden.
