TEXAS ALCOHOLIC BEVERAGE COMMISSION

IN THE HEART OF SOUTHERN MEXICO, Don Amado's *mezcaleros* carefully handcraft Oaxaca's finest mezcal from 100% mature highland Espadín agave plants. After roasting the hearts of these premium agaves in wood-burning earthen pits, the plants' treasured juices are distilled in traditional Oaxacan ceramic-and-bamboo pot stills. This unique distillation method gives Don Amado its distinctive smoky flavor and herbal bouquet, while proudly honoring a sixteenth-century production tradition native only to the legendary state of Oaxaca.

Don Amado mezcal is made from 100% pure Espadín agave and contains no additives.
