"Moonlit"

Michelle lives in Atlanta and studies graphic design at Georgia State University. She's most inspired by random, everyday objects and strives to simplify her work and create clean designs. She enjoys the trial and error process. Michelle is unafraid to experiment with different mediums and techniques and loves merging principles of fine art-making with the freedom of graphic design. When Michelle isn't busy being a student and a bartender, she lets her personal art and freelance work consume her.
