2016 Geyserville, bottled December 2017

Following four years of drought, winter storms finally delivered more rainfall. The vines responded by setting a full crop. Harvest was completed in the month of September. Once assembled, the wine spent twelve months in barrel integrating the fruit and tannins. This exotic wine shows the great complexity of a field blend. Appealing now, it will reach full maturity within the next fifteen years. EB (8/17)

Ingredients: Hand-harvested; sustainably grown grapes; indigenous yeasts; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂. EB (8/17)
