DISCOVER A BLEND OF

**THE TOP BRANDIES**  
FROM ACROSS THE WORLD

The AQUA Collection is the ultimate expression of the art of blending. We select the highest-quality immature brandies (*eaux-de-vie*) from the top wine regions of the world, including the southwest of France, the tip of the Southern Hemisphere and the Americas. The brandies are then aged in our historic Bordeaux cellars.

Our craft is blending brandies that boast the specificity of their unique *terroir*, complemented with the refined toasted notes given by a slow and careful aging in French oak casks. The AQUA Collection is an invitation to travel the world of brandy.

### THE ORIGIN OF BRANDY

Brandy or "*Brandewijn*" (burnt wine) is a spirit made solely from distilled wines. Its origin dates back to the middle of the XVII century in southwestern France.

### THE ART OF GREAT COCKTAILS

#### 1840, SANTINI INVENTS THE BRANDY CRUSTA

Brandy was the key component of the first cocktails invented in New Orleans in the 1830s. In 1840, Joseph Santini invented the Brandy Crusta, with its innovative oversized lemon peel garnish. **Shaken:** 2 oz. AQUA Ambre / 0.5 oz. Triple-Sec / 0.5 oz. lemon juice / 0.25 oz. simple syrup / a few dashes of aromatic bitters.

#### 1910, NOW "WITH A KICK"

70 years later, brandy is now mixed with ginger ale, already a very popular soft drink, and the Horse's Neck is invented. **Stirred:** 1.5 oz. AQUA Ambre / 3 oz. ginger ale / a few dashes of aromatic bitters.
