DOM ROZÈS OVER 40 YEARS OLD PORT WINE is the result of a blend of carefully selected Port Wines from the "Cima Corgo" region in the Douro Valley, aged for over than 40 years in wood casks. This extraordinary Port Wine reveals an excellent bouquet, very smooth and complex, performed by its long ageing in wood. This wine should be served at a temperature between 16° and 18°C, and it matches perfectly with desserts and dry fruits. It can also be enjoyed simply as an aperitif.
