Appellation Beaujolais Contrôlée

**2015**

Ce vin de terroir a fermenté naturellement avec les levures  
présentes sur la peau du raisin. Il a simplement été éclairci  
sur terre de Silice, un léger dépôt peut se former dans  
la bouteille. Il ne contient que très peu de sulfite, aussi,  
maintenir les bouteilles au frais en cave et le consommer  
rapidement après débouchage.
