Mission in a Bottle:

In 1995 I started making organic raw Kombucha based on the belief that it could touch people's lives. For me Kombucha represented everything that food should be: raw, unadulterated & crafted by nature. Today that belief is stronger than ever. That's why I am honored and humbled to be able to share this gift with you.

— GT Dave, Founder

GOVERNMENT WARNING:
(1) ACCORDING TO THE SURGEON GENERAL, WOMEN SHOULD NOT DRINK ALCOHOLIC BEVERAGES DURING PREGNANCY BECAUSE OF THE RISK OF BIRTH DEFECTS. (2) CONSUMPTION OF ALCOHOLIC BEVERAGES IMPAIRS YOUR ABILITY TO DRIVE A CAR OR OPERATE MACHINERY AND MAY CAUSE HEALTH PROBLEMS.

Rejoice!
THIS IS A RAW FOOD.

Inspired by the sophisticated flavor profile of a fine wine, we've experimented with a dual fermentation to offer this Kombucha with a slightly elevated alcohol content. At only 3% ABV, you can still enjoy the goodness of our small batch brew.

Kombucha is a cultured tea that is low in alcohol, however federal law requires a warning statement on any product that may contain more than 0.5% of alcohol per volume. Alcohol content not more than 3.2% alcohol by weight / 4% by volume.
