BOURBON WHISKEY
Pipe Dream is meticulously crafted from hand selected barrels aged at least 4 years. Aging our barrels in the temperate climate of the Northern California coast allows for a slow and even extraction of flavor, producing a whiskey of exceptional balance and complexity.
INSPIRED BY A TRUE GENTLEMAN
JOHN MUIR
Known as the "Father of our National Parks," John Muir was an influential naturalist and early advocate for the preservation of the American wilderness. As a writer John Muir's philosophy regarding the spiritual union of "man and nature" inspires our distillery in the heart of the Redwood Empire.
The PIPE DREAM
Deep in the Patriarch Forest of Humboldt Redwoods State Park, the coast redwood Pipe Dream rises 367-feet from the ancient forest floor. Among the fasted-growing trees ever measured, its majesty and rise to prominence inspires us to reach higher in our pursuit of excellence.
