TEXAS ALCOHOLIC BEVERAGE COMMISSION

CELLARED AND BOTTLED BY
Castle Rock Winery®
CALISTOGA, CA

We carefully handcrafted only 900 cases of the 2007 Castle Rock Reserve Cabernet Sauvignon. The grapes were harvested from vines grown in Sonoma County, one of California's most prestigious grape growing appellations. The wine was fermented and then aged for eighteen months in mainly new French oak barrels. Our Castle Rock Reserve Cabernet Sauvignon is a deliciously full wine loaded with nuance and flavor. It is a deep garnet in color, and has aromas of dark cherry and chocolate. On the palate it gives flavors of ripe blackberry and cassis with a hint of cedar. The tannins are mellow, and it finishes harmoniously with long-lasting fruit flavors. It is perfect for drinking now, or it can be allowed to age and improve through 2012.
