BOULDER BANK

PINOT NOIR

Marlborough is one of the most unique growing regions in the world. At latitude 42° South, the Fitzroy Vineyard is known for longer days and dryer summers than other equivalent cool climate areas. The rocky Rapaura River stones mean that the vines easily get to ripeness in these marginal southern latitudes. Boulder Bank Pinot Noir is classic Marlborough, with delicate and lively red fruit aromas with the palate full of rich red fruits. The wine finishes with a little spice and a lasting minerality. Pairs well with salads and lighter seafood dishes. Drink it like I do, before, during, and after most meals. Cheers!
