★ RED WINE ★

Commemorating one of the most pivotal moments in our world history, Victory Day 1945 honors the 75th anniversary of May 8, 1945, when the free world joined together to celebrate PEACE.

Throughout the world, we have all been touched through our family stories and experiences of World War II. This

Sonoma County Red Wine is an homage to our Franco-American family spirit, which underpins all that we do. This wine is testament to our commitment to the appreciation of Victory Day in 1945, as we have wineries on both continents, and believe it is our duty to history to venerate this powerful moment. In our own family, our grandparents served in the Resistance in France on the side of freedom and felt a close connection to the American soldiers that came to their aid. Seventy-five years later we begin another chapter of celebration, commemoration, peace and commitment to our common culture and values.

We are proudly donating a portion of the proceeds to support our veterans.
