2018 Willamette Valley Pinot Noir

Ouroboros:

A dragon devouring its own end to guarantee its future existence.

This symbol was chosen by our founder Jimi Brooks to represent the circle of life and rebirth. While Jimi is no longer with us, his passion for Oregon Riesling and Pinot Noir created a legacy that lives on through his wines, family, and friends.

Since our inception, Brooks has been committed to producing Pinot Noir that captures the character of the Willamette Valley. A focused blend of selected vineyards throughout our region, this wine reflects the varied geographies, soils, and Pinot Noir clones that make up this extraordinary place.
