Terra dei Preti

Vino bianco ottenuto da una selezione di uve delle vecchie viti di Trebbiano Spoletino, fermentate con la macerazione delle bucce per più di dieci giorni come nella pratica tradizionale antica... "ribollito". Il lavoro in vigna e in cantina si ispira a principi di assoluta naturalità e alle influenze dei cicli lunari. La terra viene aiutata solo di rado con concime ricavato dagli animali dell'azienda. Non si utilizzano lieviti artificiali e non si aggiunge solforosa in imbottigliamento. Il vino riposa in un contenitore di cemento vetrificato prima di essere imbottigliato.
