Viña Real

Grape varieties: Tempranillo (95%), Graciano (5%).
Viña Real was first made in the Rioja Alavesa during the 1920's, predominantly from our own vineyards located in this region. Only in exceptional vintages can wines such as Viña Real Gran Reserva be created. Aged in a combination of American and French oak casks, regularly racked and then aged in bottle. It is a full, firm, rich wine of great depth and complexity.
