This bottling of Hirschy Vineyard is 100% Dijon 667 Clone on 3309 Couderc rootstock. This portion of the vineyard is south facing with an elevation of 325 feet. The parent material is composed of ancient marine sediments in soil that would be classified as being in the Dupee-Willakenzie complex. John and Linda Hirschy are the owners of the property. The vineyard is managed by Advanced Vineyard Systems.

Ken Wright Cellars is devoted to protecting the inherent qualities of the fruit we receive. Stewardship and transparency in the cellar provide the basis for the full expression of this remarkable variety.
