KENTUCKY STRAIGHT BOURBON WHISKEY
FINISHED IN PORT BARRELS
44.45% ALC / VOL (88.9 PROOF)

PORT FINISH

The marriage of expertly crafted bourbon whiskey and port wine barrels join together to create this distinct bourbon. 1792 Port Finish Bourbon delivers an elegant flavor profile like no other. This bourbon was aged for many years in new white oak barrels before spending another two years extracting the subtle, yet sweet flavors from port wine barrels. The rich vanilla characters of American oak mingle with the delicate fruit notes from port to create this magnificent whiskey.
