Malbec

IP.MENDOZA PRODUCT OF ARGENTINA

At an altitude of 2000ft, in the foothills of the Andes mountains, are vineyards prized for the quality of their Malbec grapes. Here one can find a privileged micro-climate and numerous charming villages which are home to many well-known 'bodegas' and some of the region's finest winemakers.

*"This is a complex Malbec
with a great intensity.
Deep color, complex fruit
aromas and a full, rich
mouth with supple tannins
- all notable hallmarks of
great single vineyards of
this region."*
