side of the application form one (1) set of original labels for each size of container for which label approval is desired. By set of labels is meant all brand, strip, neck, and back labels on any individual container. An exact color reproduction will be accepted if an original label is not available. Since a certificate will be issued for each size, we must have a set of labels for each size.

NOTE: Analytical samples of wine are required if alcohol content is below 7% by volume and no Federal Label Approval is available.
