2016

Our story began in 1971 when our parents, Susan Sokol and Bill Blosser, first planted vines in Oregon's Dundee Hills. As second generation winegrowers, we are passionately committed to our family's legacy of creating world-class wines which express our distinctive hillside vineyards. This wine is the result of our unique hillside climates, volcanic Jory soil, carefully chosen grape clusters, 17 months of French oak aging, and a singular approach to winemaking perfected over 40 years. The result is flavors of black cherry and raspberry mingling with earth and truffle. We hope you enjoy it as much as we love making it.
