Altitudes iXSIR

PRODUCE of LEBANON

Image Type: Other

Actual Dimensions: 2.35 inches W X .52 inches H

Altitudes Red 2008

Wine of Lebanon

Alcohol 14.5%, Color 10%, Total 25%, Temperature 5%

Black cherry color with garnet reflections.

Fresh aroma of black and red fruits with a touch of oak.

Smooth, delicate character that blends overtones of blackcurrant and blackberry.

iXSIR is derived from the original Lebanese word for Elixir (Al-Iksir), a word common to many languages, defining the purest form of all substances, a secret potion that grants eternal youth and love.

The vision behind the wines of iXSIR is to reveal the best terroirs of Lebanon, some forgotten long ago. Cultivated with respect to sustainable development, these carefully selected terroirs symbolize the diversity of Lebanon. The result of these blended wines reveal both richness and originality.
