EMBANKMENT

Alexander Valley
CABERNET SAUVIGNON

From the rise of the Embankment you get to see vineyards with a distinct balance of aspect, sunlight, water and micro-climate. With the gentle flowing river, east-facing slope and glacial soil once again we have a vineyard perfect for making great wines. Cabernet grown in the Alexander Valley is full of soft red fruits. This wine is no exception. Plush cherry and red currant flavors linger in the long, supple finish. Round and lavish, this wine shows more body than typically seen due to the uniqueness of the site. Enjoy with chicken, beef or pork and you will not be disappointed!
