MENDOZA - ARGENTINA 2013

The sun kissed fruit of Argentina is the foundation that it's great wines are built on. The ancient people of the Inca empire relied on the warmth and bright light of the sun to provide nourishment. Inti was the revered Sun God of the Incan peoples of South America. His image can still be found on the national flags of Argentina, Uruguay and Peru and is a source of pride for many South American cultures. It is Inti that provides the rich wines of Argentina. Providing the ripeness and flavors that make these wines unique. Celebrate a little brightness in your life and raise a glass to Inti. Salud!
