Winery Lake Vineyard

Set in the far southern reaches of Napa Valley, Winery Lake Vineyard was one of the first California vineyards to be highlighted as a separate bottling in the 1960s.

When Acacia began in 1979, grapes from Winery Lake Vineyard helped us earn our reputation as a leader in Carneros. With this 2004 vintage, we're pleased to once again feature this famed vineyard in a single vineyard wine, producing a Chardonnay with distinctive flavors of peach, pear, nutmeg and vanilla.
