Milk Stout

Made with 500 pounds of POTEET, TEXAS strawberries from OAK HILL FARMS

FARM to PINT

Strawberry Milk Stout brings to life the "Farm to Pint" concept we strive for. We drove out to Oak Hill Farms in Poteet to pick up 500 pounds of strawberries and then cut them all by hand. The berries were added twice during the brewing process to make sure the taste and aroma really came through. The resulting brew highlights the fresh, sweet Texas strawberries in a way that we feel the farmers that grew them can be proud of.
