Pinot Noir

GAP'S CROWN VINEYARD
SONOMA COAST

SOJOURN CELLARS

Gap's Crown vineyard sits high above the valley floor at the northern end of the cool Petaluma

Gap. Soils are extremely rocky, naturally de-vigorizing the vines and imparting additional minerality. Pinot noir clones 115, 828, and 667 were fermented and aged in separate vessels before being blended. The result is a complex and concentrated wine with a velvety blue fruit hue and hints of baking spice.
