CONTAINS SULFITES

2017 Petite Sirah, bottled December 2018

Heavy winter rains replenished ground-water and gave the vines a much needed break from the drought. The petite sirah at Lytton Springs responded with a full crop. A series of very warm days in August, however, caused stress on the vines and a loss of twenty percent of the fruit. An adjacent block of zinfandel was included to soften tannins. This full-bodied petite sirah will be enjoyable over the next fifteen years. JO (9/18)

Ingredients: Hand-harvested estate grown grapes; indigenous yeast; naturally occurring malolactic bacteria; oak from barrel aging; minimum effective SO₂.
