Rolling Thunder Barrel Works is our barrel making operation located next to the Rogue Brewery and Distillery in Newport, Oregon. As the only farmer-brewer-distiller-cooper in the country, we plane, trim, joint, hoop, hammer, bend, toast, croze, bevel, shape, saw, sand, cauterize, and char Oregon oak and other wood varieties in an effort to produce about one barrel each day.

Our 2021 Rolling Thunder Imperial Stout was aged for 9 months in handmade Rolling Thunder Barrel Works barrels previously used to age our Dead Guy Whiskey. For this chipotle version, we finished the stout in barrels previously used to age our Chipotle Whiskey. It's certain to spice things up a bit and best when shared among friends.
