RESERVA BOAL 1958

Este VINHO MADEIRA muito característico e peculiar, produzido a partir da casta BOAL em 1958, foi considerado um ano de colheita excepcional.

A comercialização deste vinho teve início nos finais do ano 2007, após um longo estágio superior a quatro décadas em cascos antigos de carvalho americano, à temperatura ideal. Assim, foi conseguido este MADEIRA clássico, elegante, bem evoluído e estruturado, aroma concentrado e distinto, com final de boca generoso e longo.

Recomenda-se a manter a garrafa na posição vertical, protegida dos extremos de frio ou calor, e servido a uma temperatura próximo dos 20°.

Caso permaneça muitos anos na garrafa será susceptível de acumular algum depósito natural, que é um sinal de vida, e faz parte das qualidades intrínsecas deste genuíno MADEIRA. Aconselha-se o cuidado indispensável no servir para não turvar, e, se necessário, poderá ser decantado.

MADEIRA RESERVE 1958 BOAL

This is a very distinctive, special MADEIRA, made from the BOAL variety in 1958, considered an exceptional vintage year.

This wine was first put on the market at the end of 2007, following a long aging process, having spent over four decades in old casks of American oak at ideal temperatures. The result is this elegant, classic MADEIRA, which has a well evolved structure, a distinct concentrated aroma, and a long and generous palate.

The bottle should be kept in an upright position, away from extreme cold or heat, and the wine served at around 20° (room temperature).

Should the wine remain in the bottle for many years, a natural sediment may form, which is a sign of life and one of the intrinsic qualities of this genuine MADEIRA. When pouring this wine, care should be taken to avoid stirring up any sediment and clouding the wine. If necessary, it can be decanted.
