Living Food for the Living Body*

Mission in a Bottle:

In 1995 I started making organic raw Kombucha based on the belief that it could touch people's lives. For me Kombucha represented everything that food should be: raw, unadulterated & crafted by nature. Today that belief is stronger than ever. That's why I am honored and humbled to be able to share this gift with you.

— GT Dave, Founder

Rejoice! THIS IS A LIVE FOOD.

Inspired by the sophisticated flavor profile of a craft ale, we've experimented with a dual fermentation to offer this Kombucha with a slightly elevated alcohol content. At only 3% ABV, you can still enjoy the goodness of our small batch brew.
