CONTAINS ONLY NATURALLY OCCURRING SULFITES
NO ADDED SULFITES

Alcohol 12.5% by volume

Petite Sirah grown in Mendocino County consistently produces wines of excellent quality. Characteristically spicy and earthy, this wine has bramble fruit notes and a deep burgundy color. Pair with peppery pasta sauces, braised venison, or dark chocolate. Starting with grapes grown on organic family farms, this wine was crafted in accordance with the USDA organic winemaking standards, with no added sulfites. We ferment our wines with traditional yeast. All Frey wines are organic, from the vineyard, to the cellar, to the table. No preservatives. Store in a cool place.
