tasting notes

An approachable blend of family-farmed grapes. Bright garnet hue with a sturdy structure and grippy character that has a remarkable ability to pair with most foods. Gather around the table or fireside and enjoy a smooth, lingering finish.

What is the Culture of Organic?

riding on tractors
getting grubby
watching the moon rise
Solstice bonfires
quoting Sir Henry Neville
picking grapes & picking guitar
cold beer
ripe peaches
barefoot cousins
growing wheat between our
rows of grapevines
Beba's chocolate chip cookies
acorn woodpeckers
making wine without
sulfites or preservatives
leaving the earth a better place
for our grandchildren to inherit
from our children

*oh yeah, and at the
end of the day,
a good-sized glass of
Organic Agriculturist.*
