COMMUNITY WITBIER

In honor of the late and great Pierre Celis, we are proud to offer our Community Witbier, produced locally for our fellow Texas once again. We brew it traditionally using unmalted wheat as our base and lightly spice the kettle with freshly ground sweet and bitter orange peel and coriander seed. The hops are minimal, keeping the focus on the wheat, spices and the unique character contributed by authentic Belgian yeast strains. The aroma from the thick, brilliant white head is bready and lively with notes of citrus and hints of spice
