BASIC.TM VODKA

ba·sic/bāsik/
adjective

Simple and not complicated, so able to
provide the base or starting point from which
something can develop.

At Basic vodka, we believe that great products start
with the best ingredients. The quality of our vodka
comes from a refined simplicity. Made with locally
sourced corn from the Midwest and distilled six times to
create an impeccable, American-made vodka. Our focus is
what's inside the bottle, not the branding around it. No
impurities, no additives, no artificial flavors to mask
the taste. To us, basic means nothing but the best.
