HANDCRAFTED TASTE IN A CAN

BOMBSHELL BLONDE is brewed with American Pale and German Vienna malts that combine to give this ale its distinctive smooth, creamy body. Just enough hops are added to this rich, golden colored ale to perfectly balance its bready finish. It is non-filtered, non-pasteurized; no additives or preservatives are ever added to take away from its delicate taste. Whether enjoyed on the golf course, on the beach, or simply sitting at home, one sip from this bombshell will blow you away.

“Clarity is overrated.”
